

# Asset Protection Group, Inc.

## Insuring Your Future

Asset Protection Group, Inc. is an independent insurance agency specializing in providing tailored insurance coverage to dentists and oral surgeons. We have access to the nation's top insurance companies, with resources dedicated to healthcare. The hallmark of AP Group is our individual approach to all clients through a team of dedicated professionals. We want to help you succeed.

Our services are built around your needs and our goal is to provide clients with the highest quality service and coverages at the lowest possible cost. AP Group offers a wealth of experience in providing comprehensive professional liability coverage, as well as a wide variety of other insurance products designed for dentists and oral surgeons. As your trusted professional partner, we strive to provide customized services that meet your individual needs.

We work exclusively with insurance companies that offer:

- Financial strength and stability
- Competitive premiums and coverage
- Excellent service to policyholders

Through our long-term partnership with Fortress, we are proud to be the professional liability provider for the following dental universities:

- VCU Dental Care
- UNC School of Dentistry
- ECU School of Dental Medicine

---

AP Group offers a wealth of experience in providing comprehensive professional liability coverage and a wide variety of other insurance products to dentists and oral surgeons.

As a trusted professional partner, we strive to provide customized services that meet the needs of the dental community.
